WHAT IT IS

Big impact. Small footprint.

A freestanding LED video poster that delivers the attention of a video wall in the space of a doorway. Unfold it, power it up, and your message is playing.

2 × 6 ft

Life-size presence

Unfolds to about 2 ft wide by 6 ft tall, eye level for people walking by.

1.8 mm

Sharp up close

Fine 1.8 mm pixel pitch keeps text and logos crisp, even a few feet away.

Video

Full motion, not paper

Play ads, sponsor loops, schedules, and announcements. Change it anytime.

Folds

Built to travel

Folding design packs down for transport between events and venues.
